 First Semester 100% Online Instructional Plan
 Virtual Bell Schedule

Students: Following a weekly schedule will help you keep up with your learning while you are at home. It will be advantageous of you to stick to your daily schedule. You will be expected to join your teacher for virtual Real-Time lessons, and Google hangouts which will be assigned in advance for you to join. Complete all assignments and tasks as assigned. Reach out to your teachers when you need help.

Parents/Guardians: Distance learning will require students to virtually attend real-time, live classes, work independently on their own (asynchronous learning tasks), and continue to participate virtually with fellow students. Please become very familiar with this schedule and provide support, guidance, and assistance to your child in order to foster a positive work ethic and conducive environment for learning in the home. CCSD created the Learning Line, a service in which CCSD personnel provide support for all students via telephone to maximize learning through distance education. This service may be reached at 702 799 6644. Educators are available Monday through Friday from 8:00 a.m. until 4:00 p.m. to assist students in both English and Spanish during scheduled school days.
